got it - thanks. Jean Martin, BP atty, is likely not the best contact. Do you have a non-legal contact for BP? Local counsel? (If no local counsel, I'll use Jean as POC, but need non-legal address and contact.) Thanks!

Non-legal contact for City???? Please let me know. I'd prefer not to use the working group general contact, but someone actually from the City.

Hi Kathy,

Bill and I have added our comments (in red) to your EPA letter and now the letter has gone to the rest of our team & management, including DSHW. They are to get back to me by tomorrow. So look for all our comments by then.

Thanks,
